MEMORANDUM FOR: Colonel James H. Macia, Jr.
Directorate of Intelligence
Department of the Air Force

SUBJECT: Agency Plans for Utilization of TALENT
Materials

REFERENCE: Your memorandum to James Q. Reber
28 May 1956, subject: Security Manual
SAPC-6698

1. Your referenced memorandum regarding plans for your agency's handling and utilization of TALENT materials is approved.

2. It is believed desirable prior to your receipt of TALENT materials that the security officer be separate from the TALENT CONTROL officer in your organization. This is requested because such an arrangement will facilitate liaison on routine security matters between the security officers of our agencies on TALENT problems.

3. It will expedite the preparation and approval of additional plans if in the future they are organized along the following lines:

a. Physical Security:

- (1) Brief description of building or compound
- (2) Brief description of TALENT Restricted Area noting that it is segregated from non-TALENT area with relation to visual or aural observation.

b. Personnel Security:

- (1) Table of organization for use of TALENT materials.
- (2) Designation of TALENT Control Officer, name.
- (3) Designation of TALENT Security Officer, name.
